Attention: Emergency Medical Services

In an effort to obtain complete, accurate, and timely reporting of ambulance runs to our NARSIS program, we are implementing a new phone calling system.

Phone calls will be made at the end of the first week following the completion of each reporting quarter to the contact person for the service. Calls will be made only to the services that did not report for a particular month within that quarter.

We also ask that if you had no runs during a particular month, please report that fact to the program. A note or email would be fine for reporting "no runs".

The two individuals who will be in charge of this new system will be DaLene Wiess (402-471-0139) and Patricia Patton (402-471-0351) from our Health Statistics Office. Our e-mail address is: NARSIS@dhhs.ne.gov.

Thank you for your assistance and cooperation in this effort. We all look forward to continuing our excellent working relationship.

Sincerely,

Dean Cole
